

**Amendment to the Views and Estimates of the Committee on Financial Services,  
offered by Mr. Heck, Mr. Fincher and Mr. Stivers**

**On page 4, at the end of line 9, insert the following:**

The Bureau has a dedicated Office to protect military men and women. The Committee commends the Bureau and its Office of Service Member Affairs for fast and effective work identifying abuses of military members and their families and in legal action and education to protect those Americans who protect this country.
